END-OF-LIFE (EOL) NOTICE – NX1200

In keeping with our commitment to providing our customers and partners with the highest level of service and support, NEXGO will End-of-Life (“EOL”) the current NX1200 countertop point-of-sale terminals.

The following End-of-Life (EOL) terms apply to the NX1200 countertop point-of-sale terminals listed below.

1. End-of-Life (EOL) Date

On April 30, 2021 all configurations of the following terminal and accessories will be discontinued:

Part No.	Product Description
TNLA021.000	NX1200 Countertop - Dual Comm
TNLA021.1P0	NX1200 Countertop + G101 Bundle
A366300.000	NX1200 Keypad Cover

2. Final Orders

NEXGO will cease taking orders for all NX1200 countertop point-of-sale terminals and accessories effective immediately.

3. Existing Inventory

Effective the EOL date, all NX1200 countertop point-of-sale products listed above will be available on a “first come, first serve” basis until the inventory is depleted.

4. Repair Support

Repair support for all configurations of the NX1200 countertop point-of sale terminals listed above will be available for customers for a period of one (1) year or any other stated warranty period, as component availability permits or a replacement product will be offered.

5. Continued and Future Development

There will be no new NEXGO sponsored hardware or software development for this product after the EOL date. NEXGO recommends that all customers and partners begin the process of implementing a plan to migrate from the NX1200 listed above to the N Series – Smart Terminal Solutions.

For detailed information about NEXGO's N Series – Smart Terminal Solutions and the application updates required to support them, please contact sales@nexgo.us.

NEXGO is committed to incorporating the latest in technology advancements into all our products, services and solutions, ensuring maximum benefit to our customers and partners alike. If there is any way we can assist you, please do not hesitate to contact your NEXGO representative at any time.

Best Regards,

Patricia Love,
